

# FAITH FORMATION

2019-2020

*As you therefore have received Christ Jesus the Lord, continue to live your lives in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.*

## Grades 1-4

**Third floor school commons**

Our lower-grade elementary-age students meet together for opening worship and then break into smaller groups based on age. The Whirl Lectionary curriculum focuses on the Bible readings heard in church each Sunday morning and explores the challenges of living the faith during the week with short animated videos.

# COMMUNION RETREAT

**Friday, March 6, 5:30-8:30pm**  
**Saturday, March 7, 9am-noon**

**Fourth graders and their parents** are invited to attend the Communion Retreat at Grace to learn about the sacrament of Holy Communion.

Children who already receive communion are encouraged to attend the retreat along with their peers. Students will receive communion during worship services on Palm Sunday, April 5.

At the retreat students create a clay chalice to commemorate this important milestone in their faith life. Students also decorate a white garment with symbols of their life and faith. These objects will be on display during Family Sunday activities in Fellowship Hall at 9:45am on April 5. Students will have the opportunity to share their stories with other parents and children.

# CONFIRMATION

## Grades 5 - 6 Pre-Confirmation

Third floor classrooms

Fifth and sixth graders study the Bible in more detail, exploring how individual Bible stories connect into larger themes to tell the story of salvation. Fifth graders begin their journey in the Old Testament. Sixth graders continue with the New Testament, learning about Jesus' life, ministry, death and resurrection. Fifth and sixth graders and their parents participate in GIFT Sundays with Grace members of all ages.

## Grades 7 - 8 Confirmation

The two-year CoLABorate confirmation curriculum includes units on the Old and New Testament, church history and catechism, and Lutheran living. As they study the Bible and Martin Luther's Small Catechism, students explore and reflect upon their Christian identity. In the fall of their 9th grade year they are invited to affirm their baptismal promises with a statement of faith shared at the Confirmation Witness Service and in the Rite of Confirmation. More information about Grace's confirmation ministry can be found in the Confirmation Handbook, available from Julie Modrich, Children's Ministry Coordinator.

### Mentors

We do not learn and mature in faith alone. We need others who will help us explore our faith in word and deed. Confirmation students are partnered with an adult mentor during the two-year program, church members who join students for monthly Sunday morning conversations and additional service projects and activities. We work with families to select an appropriate mentor for each student, with the goal of building strong relationships that last into the high school years.

# YOUTH MINISTRY

## High School Youth Teen Talk

Sundays, 9:45-10:45am  
Youth Room

High school youth gather weekly on **Sunday mornings** for a delicious breakfast and conversations exploring how God's story connects with our own daily lives and stories. We share many laughs and challenging questions about life and faith, and we pray about our joys and concerns.

Sometimes we join an Adult Education session about a pertinent issue in the world, sometimes we gather with all the families and children of Grace for a special learning event, and sometimes we pack care packages for the college students who remain beloved friends of our youth group. Whatever we do together, we are united in our common faith and in the love of Jesus Christ.

**All high school students are welcome. Come join us!**

Our High School Youth Ministry aims to provide a safe, nurturing space where students can live out and discover their authentic God-created identity and gifts.

## Challenge your own faith to grow — volunteer!

Sunday School, Confirmation and Youth Ministry all depend on volunteers—adults who are willing to share and explore their own faith in conversation with kids. Teachers work in teams and share responsibilities. Leader guides to the curriculum offer lots of easy ideas to use in the classroom.

We'll find a job for you that matches your availability and your comfort level. And we promise that you will learn and grow alongside the kids. Pray about it...consider the opportunity...ask questions! Contact **Julie Modrich** at **[jmodrich@graceriverforest.org](mailto:jmodrich@graceriverforest.org)** for more information.
